Message From Club Manager

Dear Members,

It has been an active year at Botanic Resort Club, with sport continuing to bring energy and activity to the Club. Throughout the year, we hosted a range of sporting events, including the **Botanic Resort Club Swimming Championship, Botanic Aquathlon Challenge, Botanic Merdeka Fun Run and Taekwondo Championship.**

Each event brought a different sporting experience to the Club, from competitive swimming and endurance challenges to running and martial arts. It has been encouraging to see members, families and participants come together not only to compete, but also to enjoy the camaraderie and community spirit that these events create. We hope to continue making Botanic Resort Club a place where members can stay active, take on new challenges and enjoy sport together.

Alongside our sporting activities, we have also continued with improvement and refurbishment works across selected areas of the Club. Thank you for your patience and support as we work towards creating a more comfortable and enjoyable Club experience for everyone.

On behalf of the team at Botanic Resort Club, I wish all our members a Happy Merdeka, Happy Malaysia Day, Happy Deepavali, Merry Christmas and a Happy New Year. We look forward to another year of shared moments at the Club.

From the first dive into the pool to the final stretch of the run, participants pushed themselves through every stage of the course, making for an engaging and spirited competition.

Congratulations to all participants for taking on the challenge with such determination and sporting spirit, and special congratulations to our winners for their outstanding performances.
